ES ROBBINS Corporation Certified By the Women's Business Enterprise National Council

[Muscle Shoals, Alabama] 2/20/2018 - ES ROBBINS Corporation, a business specializing in the manufacturing of industry leading extruded polymer products and impact doors, is proud to announce national certification as a Women's Business Enterprise by the Women's Business Enterprise Council South, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

"We are honored to achieve WBENC certification as a Women's Business Enterprise," said President and Chief Executive Officer Edy Robbins-Carlton. "This certification is a milestone in our company history and reinforces my commitment to better serve our customers by helping them meet supplier diversity initiatives."

WBENC's national standard of certification implemented by the Women's Business Enterprise Council South is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their suppliers, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier diversity programs.
