Aleco's TearAway[®]

PVC strips perforated
and pre-punched
for faster and
easier replacement
installation!

Aleco's patented MaxBullet[®] strip door mounting hardware has revolutionized the way strip doors are installed.

The MaxBullet[®] features a unique bullet-shaped locking feature for easy snap-on/snap-off strip replacement. Once the hardware is attached to a door frame, no tools are required to attach strips. Initial hardware installation is 75% faster! Strip replacement is 90% faster!

LIFETIME GUARANTEE on all MaxBullet[®] hardware:
MaxBullet[®] Aluminum - Ideal for food service applications
MaxBullet[®] Stainless Steel - Works in the toughest environments
MaxBullet[®] HTP Silver - Most cost-effective hardware

Aleco's TearAway[®] perforated and pre-punched PVC strips provides the fastest replacement strip system in the market! It's ideal for use with the MaxBullet[®] hardware. TearAway[®] is available in three ready-to-hang styles: Quick Strips, Custom Bulk Rolls and Replacement Strips.

“ As a former Chief Engineer I can appreciate the need for time savings, money savings, and safety... ”

“ As a former Chief Engineer I can appreciate the need for time savings, money savings, and safety. I have been impressed with several products manufactured by Aleco that could have saved me a lot of time and trouble; such as strip doors, air curtains, and impact doors. One such product that has impressed me the most is the strip door hardware called “The Max”. The Max hardware doesn’t require nuts and bolts, and strips are mounted or replaced 75% - 90% faster than hardware we use today. When combined with TearAway® pre-cut and pre-punched replacement strips it really becomes a breeze. ”
