

NEW!

TearAway

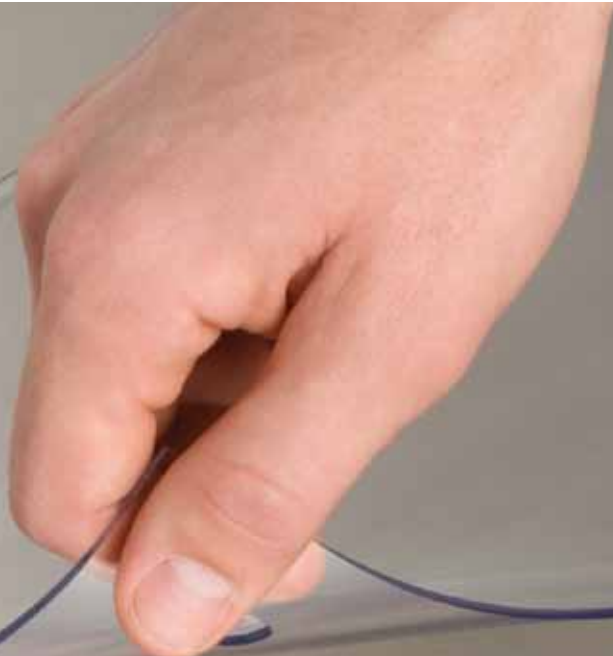

PERFORATED PRE-PUNCHED PVC STRIPS

Aleco now offers faster more convenient ways to replace worn strips. Aleco TearAway® perforated pre-punched pvc strips are available in three ready-to-hang styles – **Aleco TearAway® Quick Strips**, **Aleco TearAway® Custom Bulk Rolls** and **Aleco TearAway® Replacement Strips**.

Available in Aleco's most popular stripping formulations, the TearAway's perforated edge allows you to neatly remove individual strips for quick and easy installation.

Each strip is pre-punched on 2" centers to fit most studded mounting hardware – no tools necessary.

Combine with Aleco's patented MaxBullet® hardware for the fastest strip door system available.

U.S. Patent No. 7,011,132 and Other Patents Pending Worldwide

Aleco TearAway® Quick Strips

Partial roll of pre-punched stripping material perforated in 7', 8', 10', 12' or 14' lengths to fit our most popular door sizes.

Aleco TearAway® Custom Bulk Rolls

A continuous bulk roll of stripping material perforated and pre-punched in custom lengths to fit your specific application.

Aleco TearAway® Replacement Strips

A defined length of stripping material perforated and pre-punched in custom lengths to fit your specific application.
